

## **Report on rejection rate**

Editing board

The following table reports the rejection/acceptance rate of submissions from the inception of IJAL in 2015 (Vol. 1) to 2018 (Vol. 4)

Number of contributions received	Number and percentage of accepted contributions	Number and percentage of rejected contributions	Number and percentage of withdrawn contributions***
<b>91*</b>	35 (40.60 %)**	51 (59.30 %)	5 (5.49 %)

\*This figure does not include papers currently under review

\*\*The percentage of acceptance and rejection does not take into consideration withdrawn submissions

\*\*\*Authors who withdraw their submissions after the initiation of the editing process will not be taken seriously if they submit new contributions in the future
